PEDESTRIAN ACCESS and MOBILITY PLAN (PAMP) FOR THE GLADESVILLE TOWN CENTRE

Do you live, work, shop or walk around Gladesville?

The City of Ryde and Hunters Hill Councils are developing a Pedestrian Access and Mobility Plan (PAMP) for the Gladesville Town Centre and surrounding area.

The key aims of the PAMP are to:

- Make the area safer and easier to walk around
- Develop a continuous and comprehensive network of footpaths and other pedestrian infrastructure such as crossings and kerbs
- Develop a staged action plan and schedule of works for any infrastructure that will need to be replaced, upgraded or constructed.

We need your feedback to understand the key issues and concerns for pedestrians in the Gladesville Town Centre. The consultation period will run until Friday 13 December 2013.

You can provide feedback in three ways:

- 1) Make a comment about safety, access, or any other issues on our online map. Go to: www.collaborativemap.org/gladesvillePAMP
- 2) Complete our survey. Go to www.ryde.nsw.gov.au/haveyoursay. Alternatively, paper survey forms can be collected from Gladesville Library (6 Pittwater Road, Gladesville), call Council's Customer Service Centre on 98799400 to request a copy to be posted to you or download from Council's website www.huntershill.nsw.gov.au.
- 3) Write a submission to us, marked as 'Gladesville PAMP.' Written submissions can be sent to: Email: council@huntershill.nsw.gov.au or posted to General Manager, Hunters Hill Council, P.O. Box 21 Hunters Hill NSW 2110

Submissions must be received by close of business on Friday, 13 December, 2013.
